Dear Wayne,

Building Resources Corporation has been providing janitorial services to the Wirth Park Corporate Center and the Mortenson Headquarters buildings for almost two years. During this time we have had quality janitorial service and excellent customer communication.

I have found Building Resources Corporation to be a professionally managed company with a strong sense of ownership and a dedicated janitorial staff. BRC's ability to communicate, problem solve and "can-do" attitude sets them apart from their competition.

I would recommend Building Resources Corporation to any commercial property.

Sincerely,

Lynnette Rothstein, CPM®
